That is right. The National Anthem focuses on Saving the Monarch for all his or her decisions good or bad. Ours is not to question why but to do and die. That is what the Constitutional Monarchy means.

This needs to change: the essential arguments that I put to Stripe is being covered up, so published it in TCLP-UK Forum of The Conservative Libertarian Society.

Update on the on-going saga between Stripe Bank and The Conservative Libertarian Publications Limited.

Dear Stripe

I am sure I can clarify any misapprehension and misunderstandings Stripe harbour concerning the legal status of our Company The Conservative Libertarian Publications Limited, in order to enable Stripe to give us its full banking services especially on payments and payouts. We pursue a Republican agenda for the reason that truth, justice and democracy are the essential tenets of our existence. The religion only comes into it as personal belief that God exists, nothing more. We try and determine how this God, Sri Krishna, would like us to lead our lives and these are given in detail in the Bhagavad Gita, our holy book. I can explain more what this entails if you were interested in finding out, for we are open about what we do and subscribe to. We do not believe in the Divine right of Kings and Queens to rule over a country and we find that the authoritarian Monarchy of the United Kingdom generates much of the corruption that is prevalent in the society of the United Kingdom. So to rectify this we have an offshoot of the The Conservative Libertarian Society that we call The Conservative Libertarian Party of the United Kingdom (TCLP-UK) which has partly completed its registration with the Electoral Commission of the United Kingdom. All we need is sufficient Members in the JOIN IT Website:

<https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk/>

We have now written 234 eBooks that has examined the Constitution of the United Kingdom in considerable detail and these books can be purchased at

<https://theallurementofrealityinreview.com/shop> or downloaded free from

<https://archive.org/details/@panigrahi491>

We do this free service because we are a philanthropist organisation and cover our costs from the sales of the eBooks from those who can afford it, or from donations.

Dear Stripe, being Republican Party is not a crime as you will note from the link: Republic
<https://www.republic.org.uk/>

Republic

We want to see the monarchy abolished and the King replaced with an elected, democratic head of state. In place ...

But we do not subscribe to any drastic changes: we wish to have a slow and transitional change that would take into account the fact that King Charles has to approve our Constitution and not just that Prince William would also have to approve our Constitution

<https://www.theconservativelibertariansociety.com/about-1> We foresee this to be something that could take place over 15-20 years.

Dear Stripe, I have mislaid your previous email that you referred to in your enquiry to help resolve the issue of the Restoration of full banking services to The Conservative Libertarian Publications Limited by Strip: please send it to me to jog my memory.

Yours sincerely

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Sorry Mark, I did not mean to be rude to you personally, but as I was saying earlier there are techniques to be performed in satya-advaita yoga, in which timing is of the essence. This is for the reason that what we Hindus subscribe to is Brahman and me in particular Brahma-Nature in which one negotiates the nuances of consciousness. Having said that dharma comes before truth; the dharma that needs to be enacted is what I call the truth path of dharma. Anything goes in the truth path of dharma, strategies, tactics, etc. Right now I have been deprived of my just dues financially by the State-organisation. I need to beat the Establishment that has terrorised me by working towards a just financial settlement which would amount to the accompanying apology that I have also demanded for the 26 years of enduring injustices. Nothing else matters but that dharma. The truth path to dharma lies always in protecting my family first. That is why it took so long. But now I am on the final straight. It can only go one way if I play my cards right. Finances are very important as they sustain the family, our living standards at home and holidays abroad and in this country of the United Kingdom. The entire 233 eBooks of mine is evidence of the struggle for justice. Money is the justice: Shubh Labha. The websites were part of the struggle for justice, in combatting Satan-evil terrorism that I was fighting against. The amount of damages and compensation will accordingly have to reflect the reality of what I have endured.

I will reject all Hearings anyway. They have to issue summons to bring me to court if they wish to go down that route and that would be fine by me.

I have sent you a screenshot earlier this morning showing that the website would not let me get past the stage of filing Tangible and Intangible assets when all the figures matched as required. The message still keeps coming up that there is a problem: make do not use decimals and use whole numbers between 0 and 99999999. This was ensured when I completed the Page.

Comments:

I did this on this Saturday morning as the Financial Ombudsman Service has already been reported to the Central London County Court and this morning Stripe has not changed its position. This makes it possible for me to have just one published correspondence to use in the second email to all three courts who are now effectively fully updated for a response, of the matter goes to the Petition Committee of the House of Commons immediately:

I marked the feedback answer as **Great**, and did Stripe resolve the issue: **Yes**

For additional comments I entered the following:

I feel on reflection over what I now know to be the underlying Constitutional Monarchy that I respect, Stripe has acted in an honourable way, which is good for the State of the United Kingdom. This is very important to me for I have always strived to try and improve the well being of the people of this country that has sustained my family over 52 years. As Stripe knows anything that I wanted to do with the JOIN IT Membership website in terms of banking support from Stripe would have to be only on approval by the Courts that I have taken the matter to and if the Courts do not consider it appropriate to enter judgment for reasons of their own and similarly if the House of Commons Petition Committee does not consider it appropriate to entertain my petition for an amended Constitution towards a Cultural Republicanism during the next 15-20 years, I respectfully accepted those decision in all humility.

I should also add that I offer my apology for saying that Stripe had been duplicitous and deceitful towards me in its communications and that it was a pawn in the sabotaging of The Conservative Libertarian Publications Limited.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

Your current verification status is:

Did this help solve your issue?

2. The response from the State authorities was through Khadija Tul Kubra in LinkedIn to which I replied adequately in explaining to her that the website that I maintain is of 'Hinduism.'

3. Accordingly, I updated the book 'All Together Now,' in Internet Archive and in The Allurement of Reality in Review Shop to the introduction of: 'Clarification' and replaced the (f) of CASE PROGRESSION ON JME00572 blogpost; drawing a line under the proceedings as nothing was happening.

4. The response from the State authorities was evident in that the terror and injustices on me were all organised by the Constitutional Monarchy.

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.
